OUR DREAM IS REALIZED

A NEW SCHOOL

This annual is dedicated to all the wonderful people who made our beautiful school possible. We especially give thanks to our parents for their part in making our dream come true. Each day as we enter Coleman High School we realize the sacrifices they made for us so that we, the students of Coleman High School, could have the advantages of a well-rounded secondary education. Once again we pay tribute to our folks and extend our heartfelt thanks to them for making our beautiful school possible.

ADMINISTRATION

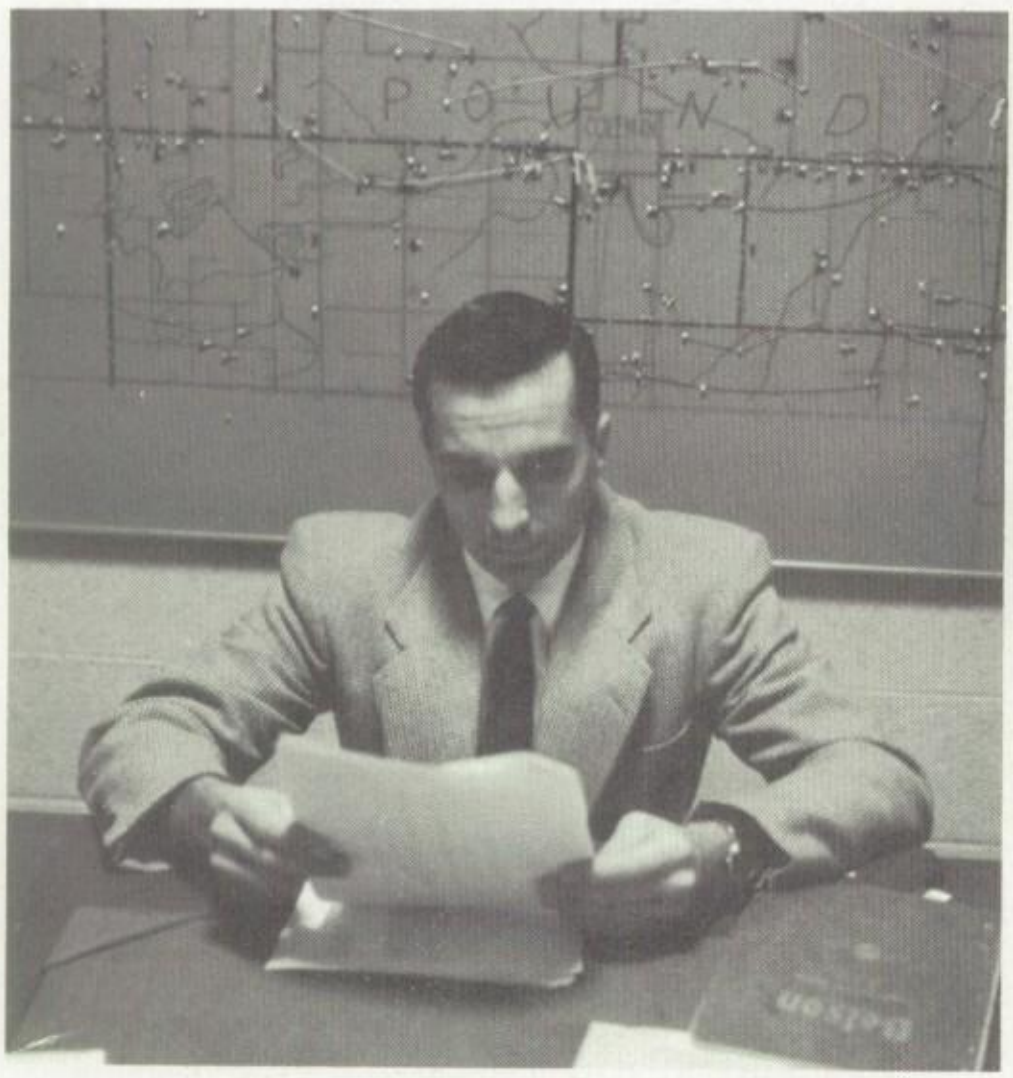
The school has two chief functions; to meet the needs of it s students and to meet the needs of the democratic society in which they live.

Throughout your school years, your many teachers, the school administrators and your parents have tried to work together to help you achieve the basic fundamentals which will aid you in becoming a fine productive citizen--a credit to your home, school, and community, but most of all, a credit to yourself.

We are proud of the many graduates of the school who set high standards and ideals for themselves, who worked hard and are now good witnesses of Coleman High School.

We believe we will be proud of the class of 1963. May each of you have a full and successful life.

Mr. James Kavanaugh
District Superintendent
Principal



This year's graduates have comprised an aggressive class, adequately equipped to meet and overcome the obstacles ahead. To say that the years ahead will be years of complete vocational happiness would undoubtedly be an untruth. Those that further their education will be devoting themselves to the priceless job of shaping the minds of tomorrow. For those who do not go to school, you will find a world in which your job will become more important than ever. For those who remain behind as myself and others we offer sincere wishes for good luck and success.

Taking a look at Coleman High School, we see nothing out of place and the floors and windows spotlessly clean. Who is responsible for this miraculous sign of tidiness? None other than our maintenance staff. To the men who keep our school working around the clock, we give our vote of thanks. Pictured, Ray McMonagle, head custodian.

Broken bones, bruises and cuts are all in the line of duty for Mrs. Woulf, our school nurse. We want to thank her for watching out for us.

Around 11:30 tantalizing aromas drift from the cafeteria beckoning hungry students to lunch. For doing an outstanding job in serving our students, we extend our sincere appreciation.

Issuing locks, mimeographing and answering the phones are but a few of the many duties performed by the office staff. Our gratitude and appreciation is expressed to both of you for your assistance throughout the year.

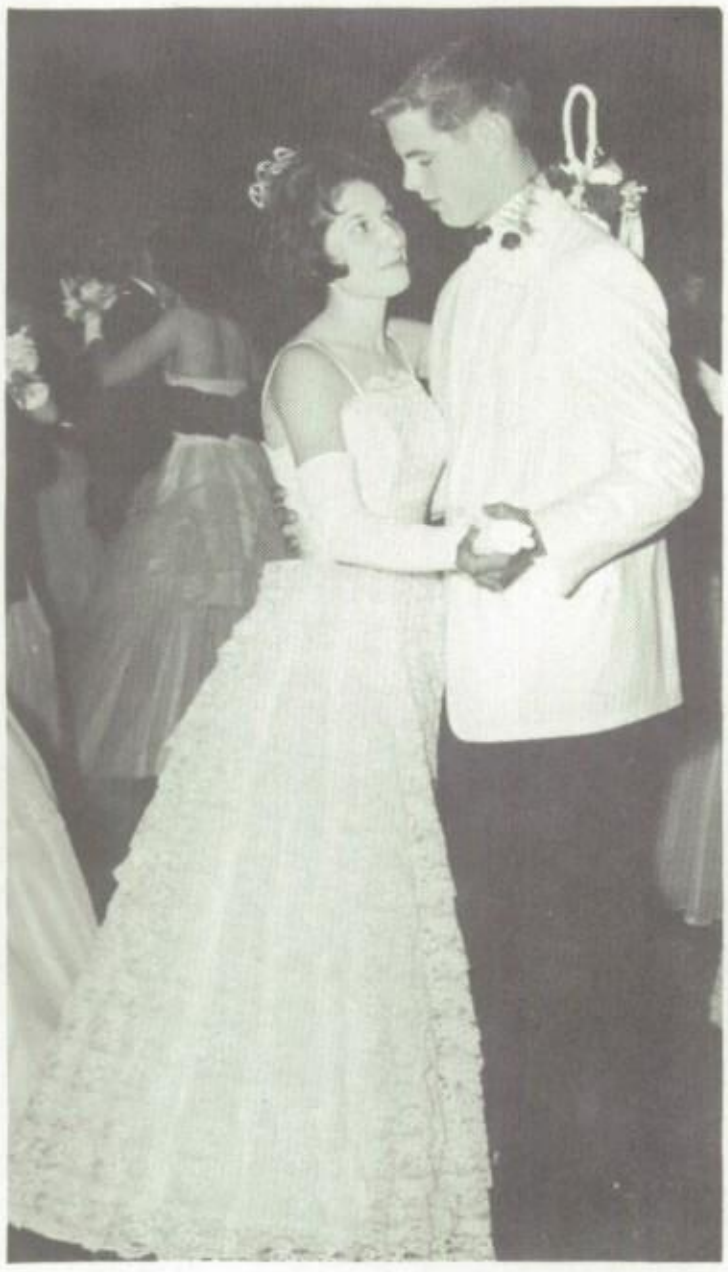
Students learned the art of public speaking through forensics. Interpretive reading, plays, declamations and orations are but a few of the catagories in forensics. Mrs. Valenti and Mr. Reimer are advisors to the club.



STORYBOOK GARDEN

Parents, faculty members and students danced away the hours to the music of Clarence Martens' Orchestra at the 1962 Junior Prom, "Storybook Garden." The gym was transformed into a fairyland paradise as a storybook theme was used throughout. A 3-D effect was produced when various storyland characters were situated in the gym in front of their actual story setting. The Junior Prom Queen was Faye Camps and her King was Tim Woller. Other members of the court were: Freshmen, Sandy Wiseman and Paul Wilting; Sophomores, Mary Jackson and John Voelker; Juniors, Moira Pelkey and Hilbert Kamps; and the Senior representatives, Elaine Mongin and Leo Holtger.

Our band director, Mr. Donn Valenti, had an especially busy year. The Northeastern Wisconsin Music Festival was held at Coleman High School this year. The solo-ensemble festival was held in March and the concert events were held in April. Fourteen schools participated in this event and the school gives a vote of thanks and gratitude to Mr . Valenti and his fine handling of the affair.

The band officers for this year are President, Rich Camlek; Vice-President, Tim Woller; Treasurer Moira Pelkey; Historian, Jay Krause.

Right! Left! Right! Left! These commands are very familiar to the seven majorettes as they lead the Coleman High School Band. Faye Camps is the Drum Major and heads the group of: Sue Hoida, Rose Marie Krecjarek, Suzanne Hoida, Josie Lewandowski, Moira Pelkey and Wanda Temby.

GIRLS' GLEE CLUB

STUDENT COUNCIL

Our advisors and officers are: President Lester Kostrova; Vice-President Jack Ott; Secretary Kathy Koepsell; Treasurer Pat Pelot; Adviser Mr. Bloch.

Throughout the year the student council has again proved quite successful. Our annual homecoming dance went off well. Our queen, Marie Kust, a senior reigned beautifully all through the game and dance. During November, members collected for the Red Cross drive. At Christmas, we again sponsored a Christmas party, admission being some type of canned goods which were distributed to needy families.

The National Honor Society is a noteworthy institution in our school. The students belonging to the club are to be applauded for their gained position, being chosen by the faculty on the basis of scholarship, service, leadership, and character.

An impressive induction ceremony was held for the new members; in the afternoon for the students and in the evening for the parents and faculty. The club has set various projects for the improvement of themselves and the school. They are active and always working for the benefit of others.

CHEERLEADERS

This year, the Coleman varsity and junior varsity cheerleaders have been organized under the direction of Mrs. Ken Simpson, our women's physical education teacher. They have done a fine job in promoting school spirit through the sale of school buttons and swishers. Through their entertaining skits at pep sessions the spirit of the Cougars and their followers have been boosted. The cheerleaders now exist as a club, a unit and a credit to the school.

FOOTBALL

What started out to look like a long season turned into one full of surprises. We didn't anticipate success because we were lacking in experienced players for certain positions such as quarterback, center and ends. After a few games we juggled players and positions until we came up with our formula for success. Some of the changes were unusual such as the one where we switched 200 pound Jerry Pillath to fullback position and replaced him with 140 pound Hilbert Kamps. Mike Zaloudek went from fullback to quarterback and did a good job at it.

With the help of Mr. Herbert and Mr. Schramski, who were responsible for line play and positions, the squad continued to improve.

We were particularly happy to end up the season with a five and one conference record and with a second place in conference standings. Of course, winning the homecoming game always makes any season a success.

We are going to miss the seniors but those coming back will find Coach Nutter more optimistic than he has been in the past three years.

BASKETBALL

Coleman High School had a successful basketball season with twelve wins and only four losses as they entered regional competition. The strength of the team is credited to the total team effort on the part of the players and to the two non-starting senior players, Maynard De Windt and Roger Gusick, who through their ability as reserves and contributors in practice helped the team a great deal.

The co-captains for the team were Dave Weier and Les Kostrova. Dave is down in the Coleman record books as the second all time rebounder and all time field per cent shooter, shooting forty-five plus per cent in three years of varsity basketball.

Coach Herbert stated that this was the finest defensive team that Coleman High School has had in the past decade.

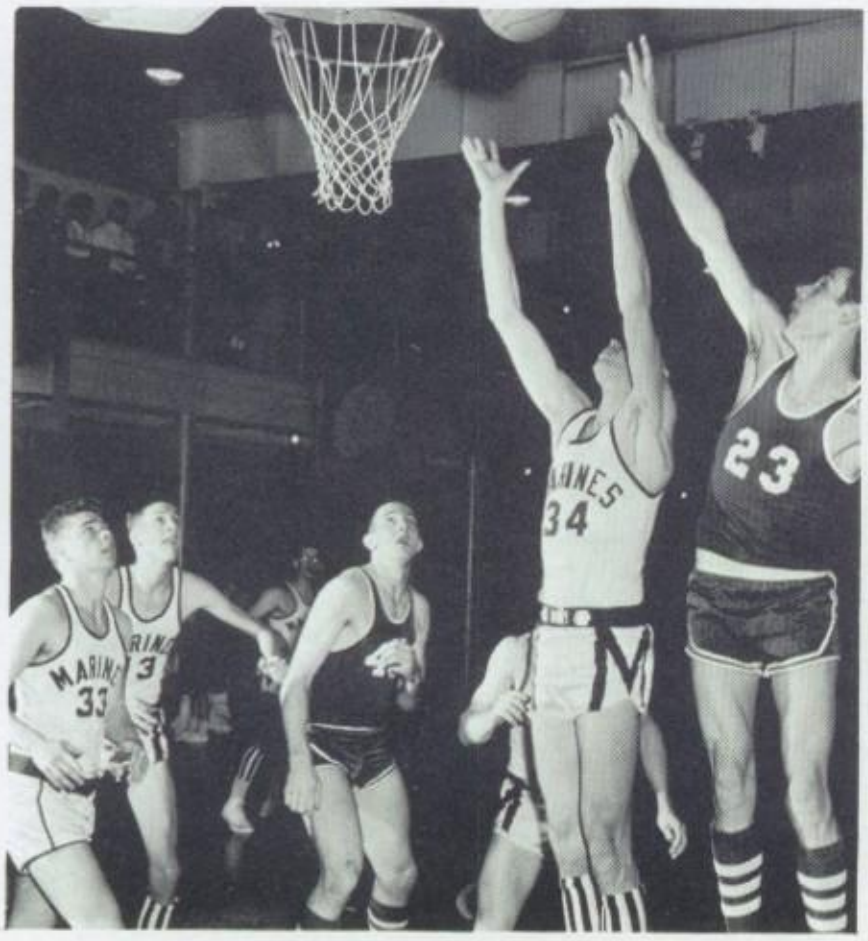
FRESHMAN

The Freshman team finished the season with seven wins and only three losses. Jim Salewski was the high scorer for the season and Rodney Boville was the captain.

JUNIOR VARSITY

Mr. Robert Anderson was head coach for both the Junior Varsity and Freshman basketball teams this year.

After a disastrous start, 1-5, the Junior Varsity ended the season with a 9-7 record. A 45-44 victory over Marinette High School was the high point of the season. Paul Wilting and Bill Mongin were the co-captains. Bill Mongin was the high scorer.



COLEMAN HIGH SCHOOL WRESTLING TEAM, 1963 WISCONSIN STATE CHAMPIONS--FRONT ROW, Left to Right: Hilb Kamps, Mike Zaloudek, co-captain; Elton Stank, Glen Broderick, Don Champagne, co-captain; Jerry Champagne, Darrell Champagne, and Coach Douglas. BACK ROW: Roger Heisel, Jerry Pillath, Tom Woller, Harv Kostreva, Clarence Hutchinson, trainer; Bob Rysewyk, Lynn Hoida, and Coach Shramski.

WRESTLING

Our wrestling team tied with Luxemburg for the Bayland Conference title, but they came back strong to win the Regional, the Sectional and the State Championship, our third state title in four years.

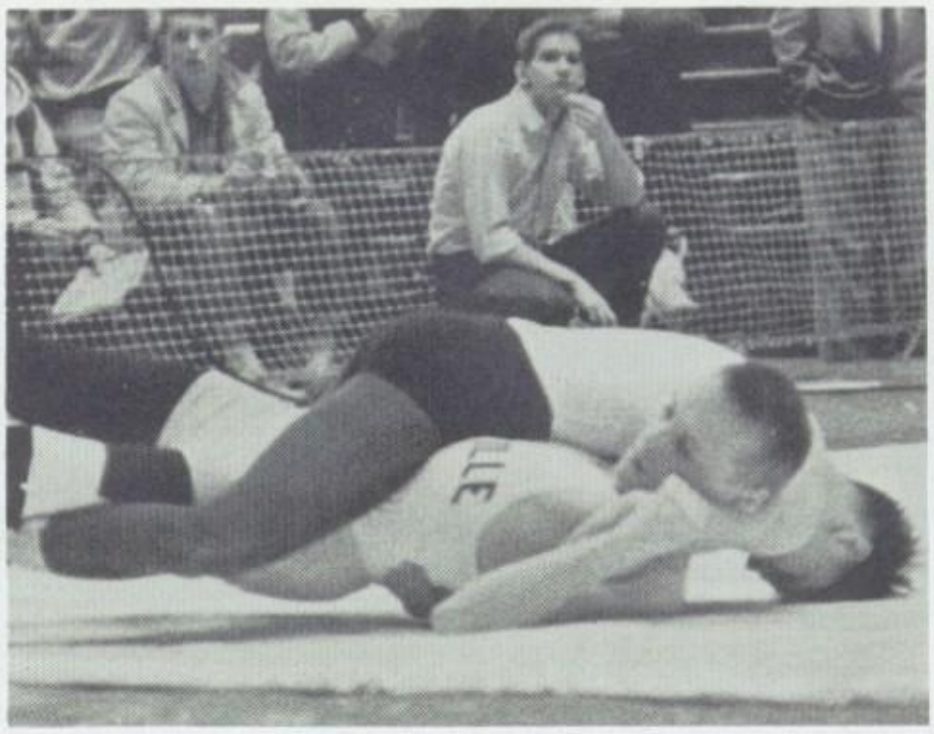
We qualified six boys for the State Tournament and scored a record 74 points to win the Sectional at Preble, this after having won the Regional with 104 points and eight qualifiers.

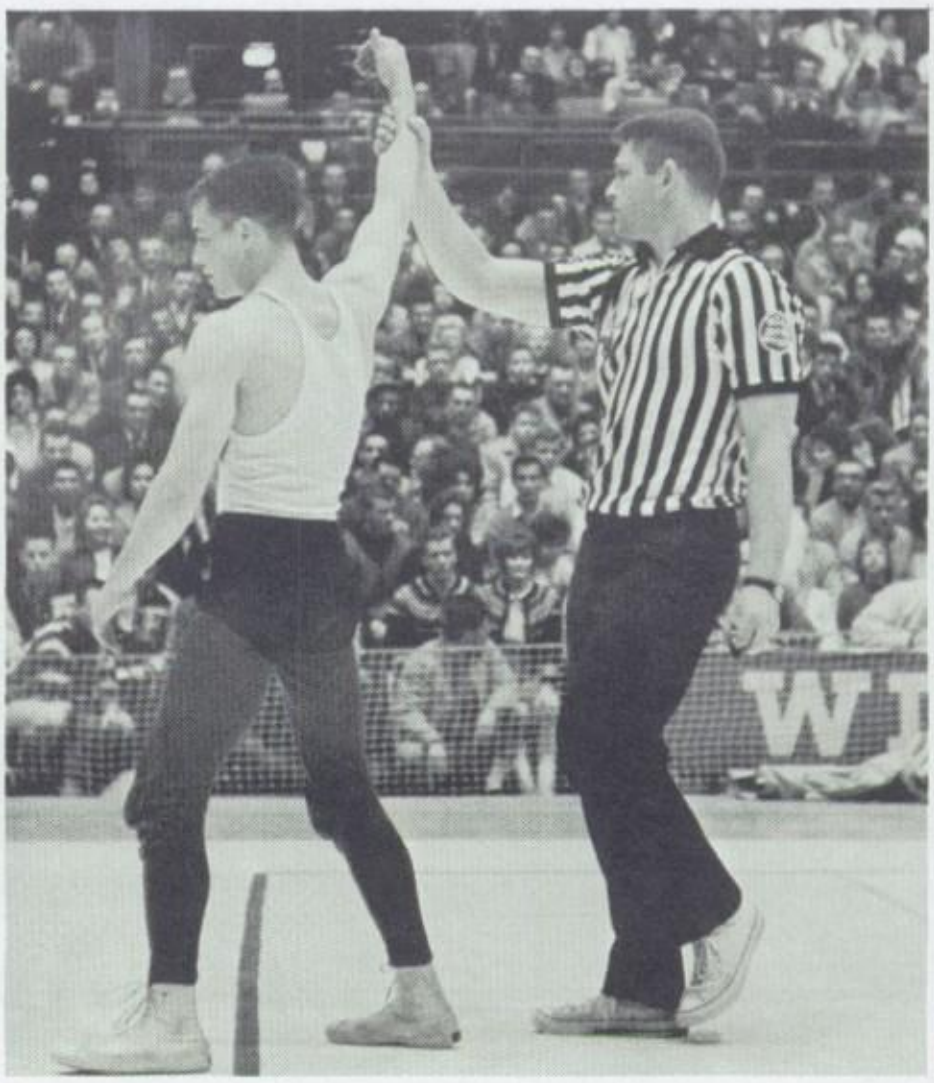
Making the trip to Madison were two seniors and four underclassmen, including Mike Zaloudek, Lynn Hoida, Don Champagne, Jerry Champagne, Bobby Rysewyk and Jerry Pillath. This six-boy contingent scored 44 points to our distance runner-up Muskego by 17 points. Muskego finished with 27 points, followed by Port Washington with 25, Milwaukee Boy's Tech with 24 and Milwaukee North with 20 to round out the top five contenders.

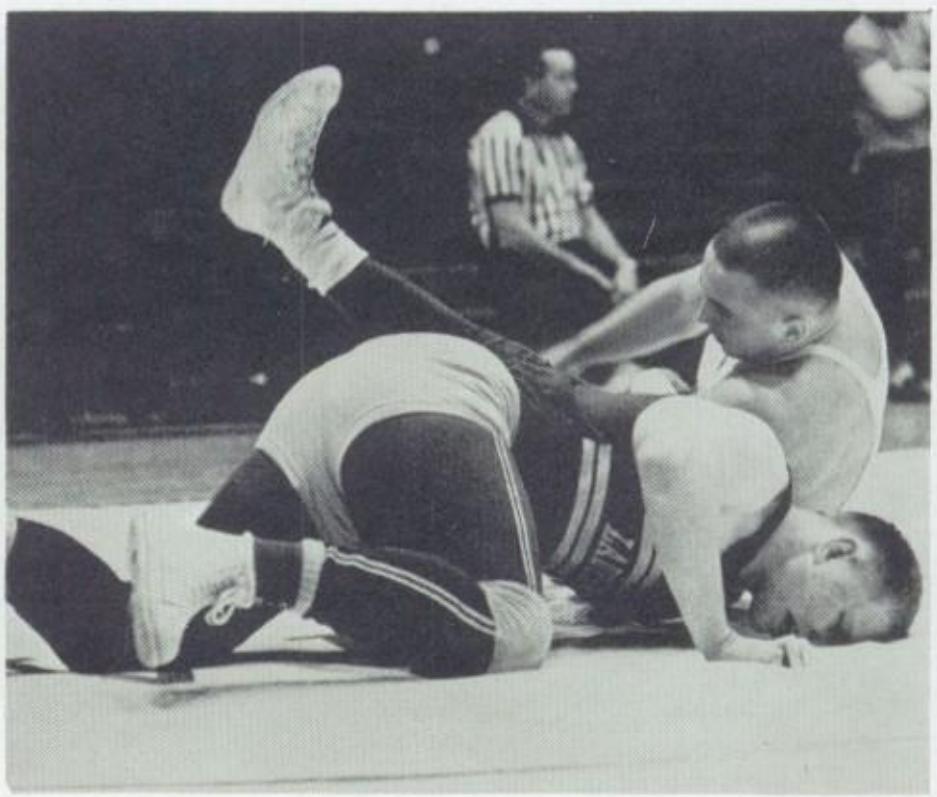
Lynn Hoida and Don Champagne won state titles in the 120 and 112 pound classes, and Jerry Pillath took runner-up honors in the heavy weight division. But the balance of the boys contributed to the team score and the eventual championship, and Coach Douglas said it was the greatest effort any of our teams to date has made at Madison. He was proud of the entire contingent for their all-out effort.

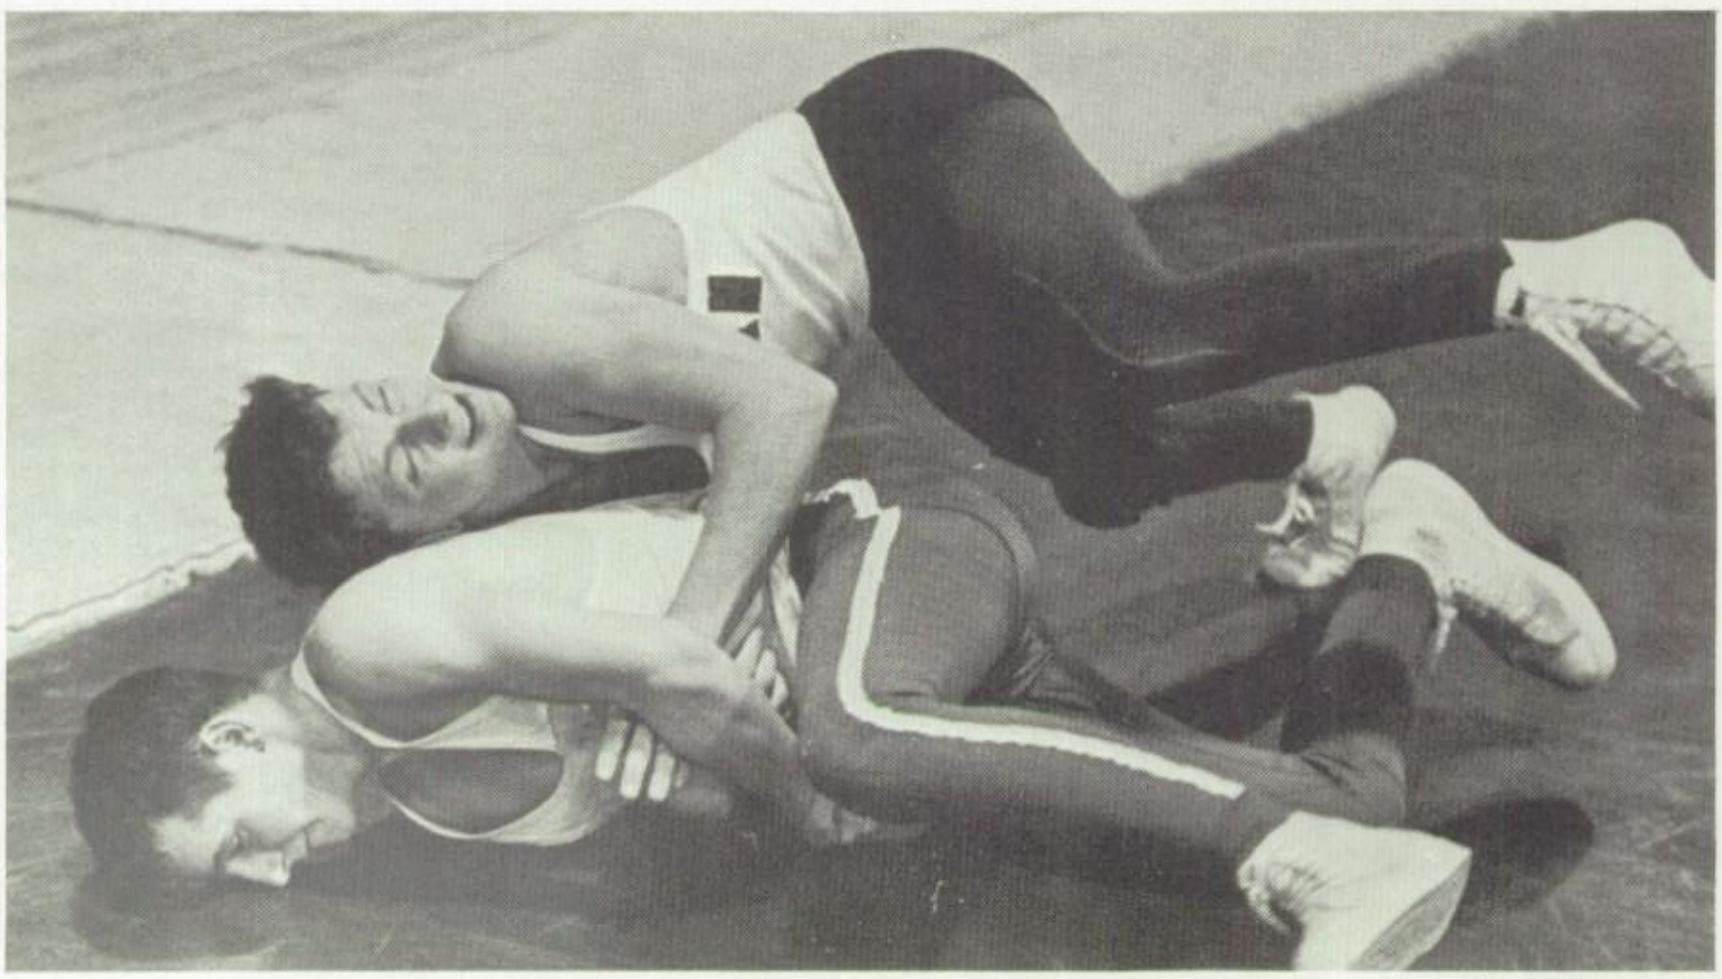
Four bus loads of students and some 27 private cars made the trip to the Fieldhouse in Madison and we had the greatest support of any team in the tournament. You simply can't beat the combination of fine wrestling and all-out support.

With reluctance we bid adieux to our seniors, Lynn Hoida and Mike Zaloudek and to those boys who did not make the trip as competitors, the great veteran performers, Hilb Kamps and Roger Heisel.









TRACK

The 1962 Coleman High School Track Team was under the direction of coaches Mr. Earl Herbert and Mr. Don Frisch. It was a rebuilding year, the first time in six years that Coleman failed to capture the conference title. In dual competition, Coleman lost two and won two meets. The highlight of the season was a victory over Marinette, 55-49. In the conference relays and the conference track meet, Coleman High School placed third both times.

Seniors Jerry Krause and Dan Rhodes, co-captains of the team, were lost through graduation. Jerry, a four year letter winner, holds part of the school and conference record in the spring medley relay team which placed fourth in state when Jerry was only a sophomore.

Freshman Jerry Pillath was the only representative from Coleman High School to go to state. Jerry placed first at the sectional tournament and fourth at state.

We regret that pictures are not available from last year's 1962 track season.
